SUPPLEMENTARY INFORMATION:

Public participation and request for comments

This notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) the practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. Consistent

with the requirements of Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs, and Executive Order 13777, Enforcing the Regulatory Reform Agenda, the Coast Guard is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

In response to your comments, we may revise the this ICR or decide not to seek approval for the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG-2019-0753], and must be received by [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*].

Submitting comments

We encourage you to submit comments through the Federal eRulemaking Portal at <https://www.regulations.gov>. If your material cannot be submitted using <https://www.regulations.gov>, contact the person in the FOR FURTHER INFORMATION CONTACT section of this document for alternate instructions. Documents mentioned in this notice, and all public comments, are in our online docket at <https://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted.

We accept anonymous comments. All comments received will be posted without change to <https://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act

notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Information Collection Request

Title: Merchant Mariner Credentialing – Job Task Analysis.

OMB Control Number: 1625-NEW.

Summary: The Coast Guard's Merchant Mariner Credentialing Program establishes the requirements for the issuance of a Merchant Mariner Credential (MMC) with the officer or rating endorsements necessary for employment on U.S. flagged vessels. To improve the credentialing process, inform future decisions, and ensure the Coast Guard maintains standards reflecting changes in technology, the Coast Guard is conducting a Job Task Analysis (JTA) for each officer and rating endorsement issued on an MMC. Information shall be collected through focus group discussions and the administration of surveys. Participation is voluntary.

Need: The Coast Guard issues credentials to merchant mariners in accordance with 46 CFR Subchapter B. Screening and assessing applicants for competency ensure they do not present a safety or security risk, they are medically qualified to serve, and that they have the training and experience to serve in the position for which they are applying. The JTA shall inform the training and assessment processes.

Forms: None.

Respondents: Merchant mariners and shoreside personnel.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden is 3,060 hours annually.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: October 1, 2019.

James D. Roppel,
U.S. Coast Guard,
Chief, Office of Information Management.
